In the Spotlight

Launch of the SSH Open Marketplace

The team of the SSH Open Marketplace is proud to release its service into the (academic) wild! The SSH Open Marketplace is a discovery platform for resources relevant to academics, scholars, and students of the social sciences and humanities.

News

[Let us know](#) if you have any stories you would like to feature in the CESSDA newsletter.

11 February 2022

Enhancing your data storage with the EOSC portal

On 1 February, EOSC Future hosted its first in a series of 'ask me anything' webinars, which will take place on the first Tuesday of every month. Watch this space, agenda and registration will be available soon!

10 February 2022

SSHOC Final Conference

Save the Date! SSHOC is organising its final conference on 6 and 7 April 2022. Join us in Brussels or online! Watch this space, agenda and registration will be available soon!

10 February 2022

UK Data Service makes selected UK controlled data available to researchers abroad

As a first step, selected SecureLab/controlled datasets from the Institute for Social and Economic Research (ISER) and the Centre for Longitudinal Studies (CLS), will become available via a Safe Room access point at one of our IDAN Partners. Watch this space - an agenda and registration will be available soon!

27 January 2022

ERIC Forum Implementation project just published the 2nd Policy Brief

This policy brief, entitled: "Scaling-Up Research Projects Through ERICs: Impact of Big Science on The Research Ecosystem", showcases the pivotal role of Research Infrastructures (RIs) and ERICs, in particular in the European research development and innovation ecosystem.

Funding and international collaboration

COORDINATE Transnational Visits

The COORDINATE Transnational Access Visits (TAV) programme offers researchers in Europe, working in the area of child and youth wellbeing, the opportunity to visit and gain access to international birth cohort, panel and cross-sectional survey data residing in participating countries.
